April 14, 2010

Welcome to the April 14 edition of the CorasWorks Community Update. It's true that April showers bring May flowers. But at CorasWorks, they also bring a new version of our most popular app, endorsements from the U.S. Army, and many local events. Catch up on all the good stuff below.

News and Events

- [U.S. Army Awards Certificates of Networthiness to CorasWorks](#) - CorasWorks is proud to earn Certificates of Networthiness from the U.S. Army for the Workplace Suite and Toolset.
- [CorasWorks Releases v1.3 of Project Portfolio Management](#) - We are happy to announce the latest release of PPM, including expanded PMO capabilities, built-in hooks for mobility, and enhanced sync with Microsoft Project.
- [Federal Web Page](#) - Check out the latest on how CorasWorks is supporting the U.S. Military and our Civilian Federal Agencies.
- [Upcoming Events](#) - Catch CorasWorks at local events around the country.

Community Highlights

Remember to Login to see all information and access contributor features. [Click here if new to community.](#)

Applications

- [PPM v1.3 Is Available for Download](#) - Download the latest and greatest version of our extremely popular PPM app.
- [Departmental Solution Set](#) - Looking to get started - or restarted - with SharePoint? Check out our Departmental Solution Set as a blueprint for your SharePoint environment. Get started with a single department, or build out multiple departments.

Resources

- [For the App User](#) - Hey all you app users, check out these videos on how to use some of the basic app features, such as charts, calendars, and more.
- [For the App Administrator](#) - And for the app administrators, we have several resources to help you better manage your apps, including throttling, lock-down, and central configuration.

Blogs & Forums

- [Forums](#) - We have a wide variety of Forums where you can discuss aspects of your CorasWorks implementation, post support requests, or seek general information on CorasWorks and SharePoint. Nearly 2,500 posts from the CorasWorks community of users.
