

Community Update

CorasWorks - Applications for SharePoint

community.corasworks.net

May 27, 2010

Welcome to the May 27 edition of the CorasWorks Community Update. Things are beginning to heat up - with the weather and especially with the launch of SharePoint 2010. Check out the happenings with SharePoint 2010 and more.

News and Events

- [Announcing New Versions of the Suite and Toolset](#) - We are proud to announce v10.4 of the Workplace Suite and v1.7 of the Toolset. Both of these products are now available for download to existing customers.
- [Formal Announcement: Idea Management](#) - It's now official, we've formally announced our Idea Management solution for SharePoint 2010.
- **PPM Seminar in NYC** - If you live or work in the NY/NJ/CT area, join us for a half-day seminar on our PPM application on Wednesday, June 2. Seats are going fast, so [sign up today!](#)
- **Microsoft Tech-Ed 2010** - Watch out Bourbon Street, here we come! Join us in New Orleans for Tech-Ed 2010 from June 7-10. Swing by Booth 345 and say hello to the CorasWorks team. We'd love to see you!

Community Highlights

Remember to Login to see all information and access contributor features. [Click here if new to community.](#)

Products

- **Workplace Suite v10.4** - Our new version of the Workplace Suite includes many new features and enhancements to existing features and capabilities. Plus, it is fully wired to run on SharePoint 2010. If you're looking to get and running with 2010, then v10.4 is for you! [Now available for download from the CorasWorks Community under MyPlace.](#)
- **Toolset v1.7** - Just like v10.4 of the Suite, this latest version of the Toolset is wired to run on SharePoint 2010. It also includes many updated features and capabilities. [Now available for download from the CorasWorks Community under MyPlace.](#)

Solutions

- **Got Demos?** We sure do. If we build it, will you come? We've got demos of our Idea Management and IT Project Management solutions on SharePoint 2007 and SharePoint 2010. See our solutions live today. Request your personal demo of [Idea Management](#) or [IT Project Management](#) right now!

Blogs

- [CorasWorks Business Solutions on SharePoint 2010 \(William's Blog\)](#) - Get your primer on our new Solution product line.
- **Adam Macaulay's Blog** - Wow! Adam's been busy writing about everything from SharePoint 2010 to ShareGolf to posting code on CodePlex. Good luck and good reading!
 - [Distributed Data Processing](#)
 - [SharePoint List Field Manager Released to CodePlex](#)
 - [Build a SharePoint 2007 Web Part with Visual Studio 2010 Visual Web Part Project](#)
 - [Let the Start Page Remain](#)
 - [The Site Template Requires that the Feature ****](#)
 - [Did Someone Say SHAREGolf?](#)
