

September 2010 Community Update

Welcome to the September 2010 edition of the CorasWorks Community Update. Ah September, a time of changing seasons, back to school, and football. At CorasWorks, we've been busy developing new relationships, driving our solutions, and blogging. Check out all our September happenings below.

News and Events

- **New Partnership with Aptify** - Recently we announced a partnership with Aptify. The purpose of the partnership is to leverage our complementary products to provide comprehensive business solutions that span both Microsoft SharePoint and SQL Server. [Read more here.](#)
- **Webcast: Aptify and CorasWorks** - Join us on October 6 at 1pm to learn more about Aptify's Rapid Application Development Platform and how you can build or extend your SharePoint apps with SQL Server and Silverlight. [Click here to sign up.](#)
- **Webcast: CorasWorks Idea Management Solution** - Reserve Thursday, Oct. 21 at 1pm EDT to learn more about our Idea Management Solution and how we help you capture ideas, evaluate them, and implement them. [Click here to sign up.](#)
- **Webcast: Project Portfolio Management (PPM) Solution** - In case you missed it, our Sept. 16 PPM webcast was a huge success. If you're interested in viewing a recording of the webcast or scheduling a time to see PPM live, email us at sales@corasworks.net.

Community Highlights

Innovation Ready!

CorasWorks Idea Management: We are firing on all cylinders with Idea Management. Join our growing list of customers running the Solution on either SharePoint 2010 or 2007. We're rolling out more great stuff every day:

- We've updated our CorasWorks Idea Management microsite with more information on our popular solution. [Click here to check it out.](#)
- For all you Idea Management customers out there, we've added an Idea Management Support Forum to the Community. The support forums are open to the public so you can read how and what others are doing. [Access it here.](#)
- Finally, we recently turned on the CorasWorks Idea Management Learning Center. Videos, articles, blogs, and more to get your entire organization pumped up, educated, and innovating. Only our customers get access to this one, so if you are using Idea Management and don't have access to the Learning Center yet, let us know.

Blogs

- **William's Blog:** William continues to blog on the various uses and features of our Idea Management solution. Don't miss these great posts:
 - [Channels: Group to Group Inter-activity](#)
 - [IT Requirements Gathering with CorasWorks Idea Management: Reduce Costs, Drive Collaboration and Visibility, Improve Results](#)
 - [Idea and Innovation Management as an IT-provided Enterprise Shared Service on SharePoint](#)
- [From the Field: Interacting with Actions](#) - Read more about how we've updated and modified our Actions with CorasWorks v11.
