

# CorasWorks – PPM Program Manager

---

## Position Overview

The PPM Program Manager will be responsible for ensuring success of a newly launched Project Portfolio Management solution. The ideal candidate will be comfortable working with customers to understand how they are using the product. They will also be responsible for the PPM business plan, product roadmap, briefing senior management, and delivering customer presentations. The person will be measured against a revenue generation goal.

## Duties & Responsibilities

- Work with customers to understand their needs
- Manage the product roadmap with details on what will be built, when it will be available, and when updates to previously released apps are to be released
- Define the whole product and ensure that all parts are completed
- Develop the go to market materials for the product launch, the flash presentations, the overview, the key points to highlight in marketing, and the webcast materials
- Continual communication to the rest of the company on the PPM, its status, customer deployments, and ensure each customer is a successful case study

## Skill, Experience & General information Required:

- Program management experience with full lifecycle responsibility
- Experience with other Project Portfolio Management products
- Highly desired to have a working knowledge of CorasWorks v11 with examples of building or using applications built incorporating it
- Ability to present in a clear and concise manner both in person and on demand presentations
- Ability to be an evangelist for the PPM
- 10 year of solid industry experience
- Highly desired to have a solid understanding of SharePoint
- Strong organizational and analytical skills, attention to details
- Must be authorized to work in the US

## Desirable Certifications

- PMP Certification - Knowledge in Portfolio, Project, Time, Resource, PMO Processes
- Microsoft SharePoint Certifications

## Benefits Overview

- Virtual Position with company paid office expenses (Phone, Internet)
- Stock Options
- 100% Medical Insurance
- Bonus Program
